

INCREASE IN SOCIAL ACTIVITY HERE PROMISED AFTER FIRST LULL INCIDENT TO WARM WEATHER

By OLIE P. LANDSEN.

THE past week has been the first to show a decided lessening of social activities since the beginning of the warm season. Since the close of school, the departure of innumerable El Pasoans for coast and visits to former homes elsewhere, and cessation of work in many of the women's organizations until autumn, there have been few events of importance.

Weddings were the most prominent affairs of the past week, attended by a number of pretty honor affairs for the brides. For the incoming week there is noted quite an increase in social activity.

For this evening there is scheduled the usual weekend dance at the Toltz club, the El Paso Toltz, down the valley. Mission Hall, West Toltz, and the New Social club have also scheduled dances. The men of the military service will, as usual, enjoy a dance at the Community Service club.

Mr. and Mrs. Y. L. Bean will entertain with a bridge party this evening at their home, 3429 Golden Hill terrace.

The opening of summer festivities at the roof garden of Hotel Paso Del

North will take place this evening and numbers of the younger set are planning to spend the evening there.

"The Womanless Wedding," a play given by an all-men cast recently at the Toltz club, is to be repeated this evening in the auditorium of the Y. W. C. A. Central building under auspices of the women of Highland Park Methodist church.

On Monday evening a delightful affair for a bride-to-be, Miss Margaret Austin Bryan, and her fiancé, Ralph Fick, will be given by Wade Hampton chapter of the U. D. C. of which Miss Bryan is a charter member. The party will be given at the Community Service clubhouse and a large number of guests will be present.

Miss Virginia Bean will give an informal dancing party on Tuesday

evening at the Bean home in Golden Hill terrace. About 25 guests are expected to attend this affair.

Wednesday will be quite filled with events of interest. Miss Margaret Austin Bryan's wedding to Ralph Fick will take place at 5 o'clock at St. Clement's Episcopal church with details of beautiful appointment.

A meeting of the Macdowell club will be held Wednesday evening, with a program of interest.

The parish of the Church of the Immaculate Conception will give a benefit party and program on Wednesday at the Toltz clubhouse, with members of the Toltz club as special guests.
